

Emerald Large Cap Conservative Growth Fund

Fund Information

The Emerald Funds are collective investment funds ("CIFs") maintained by TD Ameritrade Trust Company ("Trustee") that invest in strategies developed by Greenwood Capital Associates ("Greenwood").

CIF Objective

The Emerald Large Cap Conservative Growth Collective Investment Fund seeks to blend a top-down sector selection process with a bottom-up fundamental analysis of individual companies to develop a concentrated portfolio of 35-45 holdings which over time produces investment returns with good up-market participation while providing significant downside protection. The Fund invests in high quality, large capitalized companies with a history of strong earnings growth. Cash and cash equivalents will make up approximately 5% to 10% of the Fund with the remainder invested in large cap U.S. equities.

About the Sub-Advisor

Greenwood is a registered investment advisor specializing in the management of equity, fixed income (both taxable and non-taxable) and balanced portfolios. The firm was founded to provide institutions and high net worth individuals with professional investment management services. For more information go to www.Greenwoodcapital.com.

About TD Ameritrade Trust Company

TDATC is a Maine-chartered, non-depository trust company and a wholly-owned subsidiary of TD Ameritrade Holding Corporation. TDATC is not a member of FINRA/SIPC. TDATC offers trust and custody services, including back-office support, to a wide range of employee benefit plans. Services are provided to TDATC's institutional clients only, such as third-party administrators, recordkeepers and registered investment advisors. In addition, TDATC serves as trustee of the CIFs described herein.

Fees

There are no sales commissions or redemption fees charged for purchases and sales of interests in the CIF. The Trustee charges an annual fee of 1.10%. The fee accrues on a daily basis and is payable monthly in arrears. The Trustee's fee is charged directly to the CIF. A portion of the Trustee fee, 0.60% is paid to Greenwood for services provided to the Trustee. Additionally, 0.25% will be paid to a qualified custodian. TDATC may serve as a qualified custodian, in which case the 0.25% will be paid directly to a Participant Trust Account. To provide liquidity and ease of administration of the CIF, the Trustee requires that each CIF maintain 2%-3% of its assets in cash. As permitted by the Declaration of Trust that governs the CIFs, such cash may be invested in a deposit account or other cash vehicle maintained by the Trustee or an affiliate of the Trustee.

Asset Allocation

The Fund strives to achieve the target asset allocation represented by the pie chart above. However, such allocation may be changed as the investment manager or sub-advisor deems necessary in response to certain market conditions in order to seek to achieve the Fund's stated investment objective. However, there is no assurance that the fund will achieve its investment objective.

Performance information reflects past performance and does not guarantee future results. Current and future results may be lower or higher than those shown. Performance Returns shown reflect the reinvestment of dividends and capital gains, as well as the deduction of applicable fees and expenses such as audit fees. In addition, Performance Returns for periods greater than one year will be annualized. The collective investment fund's shares are not insured by the FDIC, the Federal Reserve Board or any other agency, and are subject to investment risk.

Investment return and principal value will fluctuate such that shares, when redeemed, may be worth more or less than their original cost.
